

Bicentennial Commemorative Driveway – 1819 Second Chapel

John Lees built the first Wesleyan Methodist Chapel in Australia at Castlereagh in 1817. The Church on the site today is the third Church built in 1847. The second Church, also built by John Lees lies under our current driveway. We are fundraising to pave this entry and to commemorate this second church 200 years after it was first built in 1819.

Follow in John Lees footsteps as he originally donated the land at Castlereagh, you can now make your contribution by donating a paver to this special project.
